INSTRUCTION TO CANDIDATES

(Candidates are required to carefully read / understand and must strictly follow instructions).

- Ensure that all the details printed on the AEEE 2025 Phase 1 Admit Card are correct. If there is any discrepancy, write to aeee@amrita.edu immediately with proof for necessary rectification.

- Details of the AEEE 2025 centre viz. Name of the centre, address etc. are printed on the Admit Card. You are required to appear for Phase-I of AEEE 2025 at the exam centre, date and time as printed on the Admit Card and not in any centre other than the one mentioned in the Admit Card.

- Date, time or venue cannot and will not be changed for any reason whatsoever. Requests for change through e-mail / phone or any personal communication will not be in any case entertained.

- While reporting at the examination centre, you must carry a printed copy of the Admit Card along with a valid photo identity card issued by the Government, preferably Aadhar Card, without which you will not be allowed to enter the lab & attend the examination. Printed copy of the Admit Card alone is not sufficient to attend the examination. Electronic Admit card will not be accepted under any circumstances and for any reason whatsoever. Admit Card must be produced on demand at the entrance & to the Invigilator.

- You are also required to preserve this Admit Card till the end of the Centralized Seat Allotment Process & must be submitted in original along with the other documents / certificates to complete the admission formalities.

- Slot booking is deemed equivalent to attending the Phase 1 of AEEE 2025 as the university will reserve the seat for the candidates who booked the slot. If you are not appearing for the Phase 1 of AEEE 2025 after downloading the Admit Card OR if you are not downloading the Admit Card after booking the slot, you will have to pay INR 600 to attend Phase 2 of AEEE 2025.
