CATALYST SCHOLARSHIP PROGRAM

TRANSFORMING BRIGHT STUDENTS TO BRILLIANT MECHANICAL ENGINEERS

ELGi® | **AMRITA**
VISHWA VIDYAPEETHAM

100%
SCHOLARSHIP
FOR B.TECH PROGRAM

ELGi Equipments Limited, a global leader in compressed air systems and **Amrita Vishwa Vidyapeetham**, one of South India's top universities, have launched the **Catalyst Scholarship Program**—a life-changing initiative that empowers bright young minds from underprivileged backgrounds to pursue a Mechanical Engineering degree with full financial support.

Beyond academics, students receive hands-on industry training, expert mentorship and an assured placement upon graduation, creating a seamless bridge between education and professional success.
